## Swim Team

8 August 2016

Summer is over, and it is time to start back to school. Fortunately, we can still enjoy some fun in the pool!

I am excited to begin the new school year and with it a new swim season. The swim season is one of the shorter athletic seasons (August 15th through September 24th). With our state MAIS meet on September 21st, we have no choice but to get started practicing as soon as school starts back.

We will practice Monday, Tuesday, and Thursday afternoons at the Laurel Natatorium. I encourage each swimmer to attend two to three practices each week. Athletes need a current physical to participate in any school sport. If you participate in multiple sports, one physical covers all sports.
